

# Dorsett Golden Apple

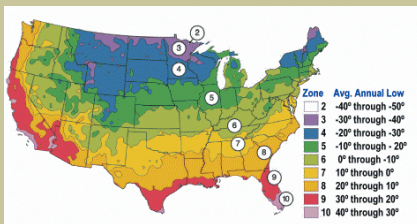

*Malus Sp.*

Medium to large.  
Yellow skin with  
orange-red blush.  
Firm, smooth, crisp  
flesh with sweet-  
tart flavor. Does  
well in mild winter  
areas. Good  
pollinizer for the  
Anna.

Requires 250 hours  
of chill below  
45°F.

Ripens: Mid-June  
to Early July.

Cold Hardy to  
U.S.D.A. Zone 8.
